EPS 91 Course Project Description

Please answer the following questions, using attachments if necessary.

1. Topic: Describe the topic you plan to investigate and/or indicate the body of scholarly literature that will form the basis of your readings. Include a general description of methods and resources.
2. Schedule: Indicate anticipated times or the frequency with which you will meet with your faculty sponsor.
3. Faculty Sponsor Statement: Attach a statement signed by your EPS 91 faculty sponsor explaining how your grade will be determined.
